

## **STAFF BLOOD DRIVE**

### **ERMES GROUP'S SOCIAL CONTRIBUTION**

A successful blood drive was held on Friday, 18 May 2018 at the head offices of Ermes Group, where members of staff donated blood for the 20<sup>th</sup> successive year.

The event was part of the Group's social contribution and took place in conjunction with the Mobile Unit of the Blood Bank at Nicosia General Hospital. Ermes Group staff turned out in large and moving numbers.

Blood donation is just one aspect of the broader Corporate Social Responsibility policy adopted by Ermes Group and CTC, to which it belongs. The blood drive ended with the promise that it will remain a long-term, unending effort, always aimed at helping others.
