On Friday 23 October 2020, a blood drive was held at Ermes Group head offices for the 22nd consecutive year, with the participation of blood donors employed by CTC Group member companies. The event took place in the context of Ermes Group's social contribution and in collaboration with the mobile unit of the Blood Bank at Nicosia General Hospital. Some 17 blood units were collected, with all necessary health protection measures in place due to COVID-19. Blood donation is just one element of the overall Corporate Social Responsibility policy of both Ermes and CTC Group to which it belongs.
